Calling all dads!
(By dads – for dads)

Are you a dad looking to take your kids somewhere on a Saturday? Are you a single dad? Do you need advice and support around parenting issues? Do you need to spend more time with your children and improve your relationship with them? Would you like to improve your skills in IT, cooking? Fancy a game of football – or a trip with your kids to a football or rugby match. Or a day out at a theme park? Or, just the chance to have a cuppa and talk with other dads?

If so, then you're invited to the first 'Dads and Kids' meeting at the Trust Centre, Conduit St, Gloucester.

This is your chance to take part in setting up a group that could genuinely help dads living in the Gloucester area. If you are a dad and would like to take part, then come along to the Trust Centre on Saturday 1st February at 10.00am for an informal chat about any advice, services and support that you would like to see provided for you and your children. The meeting will be facilitated by members of Sure Start, White City Community Project and Cotswold and Vale Primary Care Trust who are joint partners in this project.

This will be your group! We've named some suggestions for activities at the start of this article – but we want it to be run by you, for you. What we want to do is to bring like-minded dads together to talk and consult with about the services you want. Facilities are available both at the Trust Centre and at White City Community Project to run 'Dads and Kids' meetings and activities. It will be run by you for you.

If you are interested in taking part then contact:

Ismail Ginwalla
